<p>Desired impact of the plans for 2021/2022</p>	<ul style="list-style-type: none"> <li>-Access to specialist coaching provides staff with CPD to develop and improve their personal teaching of PE</li> <li>-Development of children's fitness to develop and the love of sport to be reignited.</li> <li>- Development of children's self- esteem, resilience, fitness and team work through specific clubs and identification of children's needs.</li> <li>-Access to specialist coaching provides strong sports provision for the children, ensuring more children take part in physical activity</li> <li>-PE equipment and resources are rejuvenated within the school and gaps in resources are plugged following a further audit</li> <li>-Parents to use the REAL PE home scheme and the yoga scheme available for all pupils.</li> </ul>

	<ul style="list-style-type: none"> <li>-Investment in playtime equipment and play leader scheme promotes active playtimes and competitive sports- Use of REAL Leaders from REAL PE scheme to be introduced.</li> <li>-Children to have access to more permanent play equipment to enable and encourage children to be active- mile a day lines, outdoor gym equipment, climbing frame etc</li> <li>-More children take part in competitive sporting events</li> <li>-To keep up level of competitive sport – regaining the Gold School Games Mark.</li> <li>-More children, including those with SEN or additional needs to access inclusive opportunities for physical activity, through all lessons, REAL PE (fully inclusive scheme) and through total sports groups.</li> <li>-Children to be more aware of the impact of exercise on mental health and well-being</li> <li>-To deliver 60 minutes a day of active learning.</li> <li>-Give children different, fun sporting opportunities to inspire them and promote the love for sport and physical activity. Inflatables, assault courses, archery, curling etc</li> </ul>
<p>How we plan to make sure these improvements are sustainable</p>	<p>The York schools sports partnership provides specialist coaching to our teachers and staff, providing quality CPD that will help them teach their own PE lessons both now and in future years through the peer mentoring process. Impact forms will continue to be collated to show evidence and impact including pupil voice.</p> <p>Support is given through the REAL PE scheme of work to support and upscale staff and support the children (REAL PE to include core PE, dance, gymnastics, play leaders and real foundations -specific to EYFS). Total sports to develop a working relationship with the school and develop children’s well-being through physical activity as well as the physical fitness element of PE.</p> <p>Investments in PE equipment and updating resources will sustain quality provision over the years to come.</p> <p>Start the plans for the development of the school playground in partnership with the head teachers PA/ school business manager who is currently completing her school business manager apprenticeship to include physical equipment which will contribute to the active 60 minutes in school. This was put on hold due to the pandemic but will hopefully go forward this year.</p> <p>Children are taught strategies to access physical exercise, understanding its link to good mental and physical health. Thereby, raising their potential for effective learning- wake up, shake up/ active breaks and go noodles activities.</p>
<p>Swimming figures for current Y6 class</p>	<p>Currently – 33/45 children (73 %) in Year 6 can swim at the National Curriculum requirement of 25m. Support will be offered and provided to any children who still cannot swim (e.g. through free swimming sessions / lessons).</p>
