

Ralph Butterfield Primary School

PSHE Intent:

At Ralph Butterfield, we believe personal, social and health education (PSHE) enables our children to become healthy, independent, and responsible members of a society. It aims to equip them with the knowledge, understanding and skills they need to develop personally and socially, and enables them to tackle many of the moral, social and cultural issues that are part of growing up. We provide opportunities that help build pupils confidence, resilience, and self-esteem which in turn supports them in managing risks and making informed choices. The contributions PSHE makes to pupils overall personal development allows them to thrive as individuals, learners, family members and members of society.
