Some frequently asked questions

Q: How do you help children settle in at your club?

A: All staff get to know all the children at R.B Kids Club really well from the first moment they come in. We also use a buddy system where older

children will support younger children.

Q: How do you organise your routine and how will my child know what happens during the session?

A: At the start of every session, the different activities for the evening are discussed and children can ask questions about what they want to do. At this point we also register all our children.

Q: Can I bring toys from home?

We don't encourage that children bring toys from home as they can often get damaged or misplaced however if your child does, its their responsibility.

Q: How far in advance do I need to book a session?

A: The earlier the better but we will always try and accommodate you if we can .
