

Board of Governors Diversity Information

November 2023

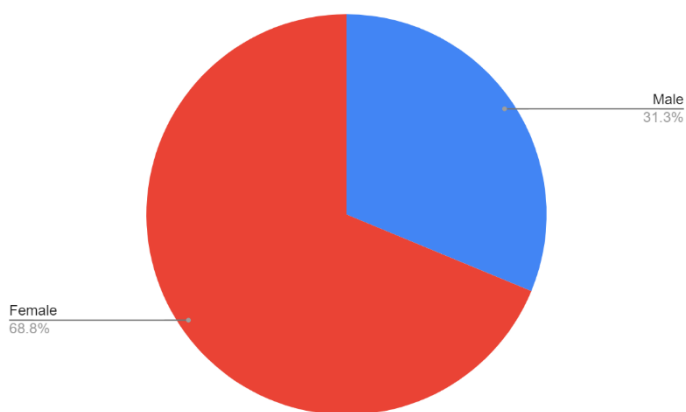

Ralph Butterfield Primary School recognises that diversity is important and that the governing board should aim to be reflective of the community that they serve. A voluntary diversity check of the governing body was conducted in the Autumn Term of 2023 – 24 and the results are shared below.

If you would like to know more about members of the governing board, you can find individual profiles on each governor [here](#).

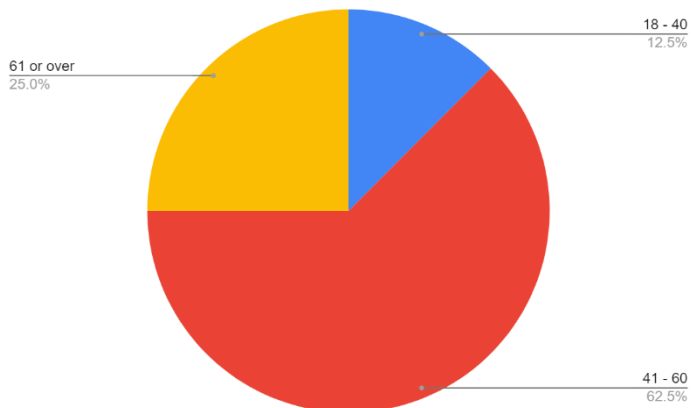

Ethnicity

100% of the governing board reported that they are White - English, Welsh, Scottish, Northern Irish or British.

Gender

Age

Proximity to the School

How close do Governors live to the school?
