

School Projects the PTA have supported

In 2023 we paid for 50 donated laptops to be reconfigured and available to use in school plus a wonderful new laptop charging unit

We regularly pay for 'History To Life' actors to come into school and bring Roman, Viking or Egyptian history to life – the children love it!

The PTA purchased and gave every child in school a commemorative pin badge to celebrate the Coronation of King Charles III and also the Queens Jubilee in 2022.

Each year, the PTA pay for all new starter Book Bags with a special gift of a reading book and RB pencil.

All our new starters love their new book bags!

We paid for a World Book Day visit from Doctor Who author Daniel Blythe.

We have purchased a number of activity sheds for the Reception outdoor play area. These little sheds provide lots of resources, books and toys which encourage literacy skills, maths/number skills, building activities and art. A fantastic resource for the children to use whilst playing outside.

We purchased new jigsaws for Jigsaw club!

We purchased a diverse set of 150 books including titles for all year groups – the money to purchase these was from a Sponsor a Book appeal

We regularly give each Teacher funds to spend on resources for their classroom. Here a teacher has created a wonderful reading area with a rug, cushions, book storage and seating.

In 2022 the PTA paid for the purchase and fitting of a new Projector screen in the School Hall. Used for assemblies, performances and film nights – benefitting the whole school.

The PTA support school trips by paying for the coaches which are a huge expense.

We have purchased a new shed and greenhouse for our very active Gardening Club! These are fantastic resources for the children to grow seedlings and keep equipment safe. We were more than happy to help as this club makes such a positive impact to the school outdoor space and children's well-being.

As a PTA we try and support all the school requests for support!
